

**Schoodic Byway Corridor Committee  
Grant Preparation Meeting  
3/4/2010  
Sullivan Town Office  
Minutes**

**Attending:** Gary Edwards, Larry Johannesman, Jim Fisher, Richard Fisher, Barbara Bowen, Don Snoke

**NB:** These notes are bullets for grant preparation. The meeting was primarily oriented to answering specific questions about our proposals required for grant writing.

**Gordon's Wharf**

Anticipated cost – depends on uses

Design questions:

- Historic character of the Wharf
- Currents
- River walk concept – Misha Mytar

Funding Sources

- Land for Maine's Future - \$5,600
- SPO – Shore and Harbor - \$10,000
- FHWA – Scenic Byway Program - \$200,000
- Public Access to Water Fund – Matt Steel
- DOC Water Access Program - \$150,000

Specific Tasks

- Improve visitor access to site
- Improve visitor access to water – boat ramp and hand launch facility

**Byway Implementation Grant**

- Towns - % of current HCPC support? Additional Funds
  - Hancock
  - Sullivan
  - Gouldsboro
  - Winter Harbor
- LMF
- Maine Water Access
- Frenchman Bay Conservancy
- Failing other solutions – build administration into other grants (like facilities)

## Prospect Harbor – Village Access Grant

- Note corrections in grammar
  - Emphasize livability
  -
- Responsible party –
  - Split planning
    - Site plan – Library
    - Connectivity plan – Town of Gouldsboro
  - Construction – MaineDOT
- Timing
  - Need to investigate the implications of negotiating with the land owner about
  - Will this be disqualified from byway funding?
  - Dick – can a third party purchase the property then sell it for the project?
  - Who must own the land in the end? Can the library own it?
- Design questions
  - Will sidewalks be permissible?
