

Schoodic Scenic Byway 04/10/03
Attending Jim, Peter, Brad, Barbara

Schoodic Shuttle

Research - survey of respondents with reactions

Schoodic Housing

Delays in re-use - Verizon will not replace the polls before they know about ownership. Housing will be vacant all summer.

Poster session and the national conference

May 10th - National Scenic Byway Day

- Jim - write article in the local newspapers
- Brad -newsletter

Concept

Use a bus for the day - 10:00 AM - 2 hour guided tour loop

Buffet or lunch at one of the restaurants at Bunkers Harbor - Bunkers Wharf - Light

Refreshments

Pastries and Tea (High Tea)

Concern - might not get many riders - if no one shows up,

Alternative Concept

Handouts - Maps, Bookmarks

Concern about logging truck and other trucks parking there.

Need to post no overnight parking or commercial activity- Jim talk with Victor Smith

Jim - send a short article to Lynn Dunbar about the tour

Check with John Kelly, Bill Weidner and Ed Pontbriand (park ranger) about bus passing through the park.

Interpretation

Winter Harbor

- Detachment Alpha is rebuilding the lighthouse model - might be coordinated with interpretive sign.

Themes

- Lighthouses
- Sardine Industry
- Historic Buildings - Putting the community center on the historic register. (Might include a plaque for the building.)

Hancock Point - historic site where the spies land.

[Sullivan Grange -also considering historic designation. This building is sitting on leased property. Might need to acquire some land.]

Next meeting Sullivan May 17th at 9:00 AM
