

TO: Rt. 1 / Rt. 186 Scenic Byway Advocacy Group
FROM: Jim Fisher, HCPC
DATE: 08/20/99
RE: **Agenda for 9/1/99 Meeting, Sullivan Town Offices, 8:00am**

1: Call To Order

Introductions
Review of Previous Minutes

2: Announcements

Hancock-Sullivan Bridge Opening	8/07/99
Lobster Festival	8/14/99
Gouldsboro Planning Board	8/17/99
Downeast (Brewer-Calais) Trail	– Public Meeting 8/24, Ellsworth Town Hall 7:00pm – Committee Meeting 9/01, Ellsworth Town Hall 1:00pm

3: Old Business

- 1) Public Information Meetings –
 - Prospect Harbor Wednesday September 8, 1999
 - Sullivan Town Hall, Thursday September 9, 1999
- 2) Adjacent property owner data – nearly complete
- 3) Draft Community Participation Program
- 4) Update on Partnerships and Agreements
- 5) Formation of a Corridor Management Entity

4: New Business

- 1) Review of land use plans and ordinances
- 2) Background Conditions Analysis: Three basic steps:
(from Maine Scenic Byway Program Manual)
 1. For both existing and future conditions, identify and evaluate the relationship of each background element with the Corridor Vision, goals and objectives. Elements include: Roadway/ROW, Existing Land Use and Zoning, Signage, Future Land Use, Safety Issues, Traffic Volumes/User Types, Roadway Improvements, Environmental Conditions, Existing Comprehensive Plan Relationship and/or Protection Techniques
 2. Reach reasonable conclusions regarding potential conflicts and opportunities as they relate to these background elements and the Corridor Vision, goals and objectives.
 3. Establish appropriate strategies and actions necessary to address these conflicts and opportunities. These strategies will be incorporated into the CMP Action Plan.
- 3) Is there any other new business?
