Questions for MaineDOT

- Check on plowing of the turnouts during the winter season
- Check on closing outhouses during the winter season
- Should turnout signs come down when the turnouts are closed?

Park Signage – contracting and installation plans, still pending

**Tour**

Most notes during the tour are recorded in the GPS/GIS mapping software

Recommended Changes

Gateway

Banquet sign – need to control vegetation or move the sign about 50 feet east. View is obstructed now.

Kiosks construction and signage delayed until spring.

**Prospect Harbor**

- Design – need to figure out drainage
- Information Kiosk
- Bell information

**Need to find out what funds we have left for Gouldsboro**

- Existing funds
- New Grant
- Jim - Ask Jordan's for fill, drainage
- Eve – arrange land easements or transfer
