

Schoodic Byway Corridor Committee Meeting
March 30, 2009
Minutes

Winter Harbor

- Location of interpretive signs
 - History, Architecture – Dr Office
 - Lobstering, Lighthouses – Flagpole
- Mock signs
- Make sure the cleat is visible
 - Currently the granite bench obstructs the view
 - Signs should not block the view of the cleat either

National Byway Map – Sign

- Andrew likes the sign – common theme for all byways

Road Signs

Comfortable with Larry's design

Granite Sculpture

- No sculptures planned for Hancock, Sullivan, Winter Harbor
- Gouldsboro
 - Dorcas Library
 - Concern about one tree that would block view
 - Entrance to the school
 - Left side partially up the hill
 - No objection
 - Right side – mixed in with the gateway facilities
 - Jim will meet with Larry about a second round drawing
 - Gouldsboro Select board can make the final decision, but they need more design input
 - Draft preliminary design
 - Hold public information meeting
 - Refine the design
 - Hold a public meeting
 - Refine the design
 - [optional] Public Hearing
 - Refine the design
 - [optional] Town meeting vote
