

**Schoodic National Scenic Byway**  
**06/12/06**  
**Minutes**

**Attending:** Don Snoke, John Kelly, Barbara Shanahan, Larry Johanneman, Peter Drinkwater, Jim Fisher, Rod and Ruth Franzius, Andrew Sankey, Nancy Montgomery, Sean Denniston

Guests: Maggie Bourier, Richard Bourier, Jay and Nancy Horschak

Meeting convened at 8:30 AM by Barbara Shanahan

**Introductions**

**Public Comment Period**

Nancy Horschak read a letter to the committee - submitted in writing

- concern about road construction project on the northern end of Route 186
- historic and archeological significance of their properties
- presented options to MaineDOT and Town of Gouldsboro encouraging modification of strategies

**Interpretive Planning** - Nancy Montgomery

**Introduction**

- 3 - 30 - 3 Rule
- Review of interpretive plan
- importance of quality photography
  - Original photography - digital might work
  - Typical pictures will be 63 megabytes - TIF
  - 120 millimeter / 2.25 inch format
  - need for donations of some photographs
- Have a photo studio in house to scan historic artifacts - can bring equipment here. Might be possible under the current contract. This may be more efficient than trying to get others to produce what is needed.
- Historic Photos, artifacts, need to be assembled

**Language**

- state wants consistency across all byways
- using French and English in western byways
- ANP does not include French in their panels (<2% of visitors)

**Taunton Bay**

1) Tides Create Bounty for Wildlife

- Friends of Taunton Bay

2) Transportation

- ship building
- trains -

- ferries

Larry handed out floor plan for the gateway facility

- train spot
- granite shipping spot
- wildlife spot
- reversing falls spot

### **Dunbar / Frenchman Bay**

- Historic tourism - Norumbega, hotel - tourism then and now
- Mill Pond - Down by the old mill stream
- Ice Cream Parlor

### **Long Cove**

- Working landscape
- Glaciation
- marine biology

### **Young's**

- Bike tour map
- Brochure rack
- paving

### **Winter Harbor**

- Need to find a location - flagpole may not work anymore
- Lighthouses - not a great location for this sign
  - Best view of Winter Harbor Light - Schoodic Point
- Working landscape

### **Prospect Harbor**

- Working Harbor - interpretive panel on the pier
- Parking area – Stinson's - Roger ... is a contact. or Dianna Young about using a few spaces.
- Sardine Factory
- Lobster and lighthouse Tour

Recap of Annual Meeting

Schoodic shuttle Operations for 2006

Park Signage - July 6 final signage planning tour
